SOLE SOURCE CONTRACTS ANNUAL SURVEY – (ITEM NO. 13, AGENDA OF FEBRUARY 6, 2008)

On February 6, 2008, the Board of Supervisors approved revisions to Board Policy 5.100 – Sole Source Contracts (Policy). The revised Policy was effective immediately and it continued the requirement for departments to advise the Board in advance of commencing negotiations for Board-approved sole source services contracts in excess of \$250,000. The updated Policy also mandated departments to:

1. Attach a Sole Source Checklist to any Board letter which includes a recommendation to approve a sole source contract. The Checklist is reviewed and approved by the Chief Executive Officer (CEO) to ensure compliance with the criteria for sole source contracts prior to submittal to the Board; and
2. Track their sole source contracts below the threshold of \$250,000, provide such information to the CEO beginning June 2008, and on an annual basis thereafter.

Consistent with the above requirements and utilizing the attached template for sole source contracts below the threshold of \$250,000 for Fiscal Year 2009-10, please provide for each contract, the following information:

- The contract number, amount of contract, contract term, name of contractor, type of service, and a brief description of the justification for pursuing the sole source contract. *Note: Please also include any extensions of prior sole source contracts or extensions of competitively bid contracts which have been extended past option years on a sole source basis in 2009-10.*
